Dear UnCruise Family,

Thank you for being with us throughout this past year. I know the evolution of travel will come out for the better, leading operators and destinations to be more nimble and diversified in their approach.

We have embraced small boat, small group, small footprint leadership since starting in 1996. This year we celebrate our 25th anniversary bringing us into a new era. I can't help but be excited about the growth and possibilities in a reimagined world of remote adventure travel and celebrating 25 years of creating adventure. With that, changes are afoot in our operations, we have rechristened one of our beloved boats with a new name, and will be exploring more of our backyard with a new Pacific Northwest itinerary. We will have more digital tools and conveniences for our guests online and our training and safety protocols are top priority.

My long term business partner, colleague, and friend of many years, Mr. Tim Jacox also deserves a shout out. Tim has been instrumental to the success of UnCruise in so many ways, leading our sales and award-winning marketing efforts among many other things. He retired in May 2020 and he will surely be missed. Luckily his expertise is still a presence as he has now joined our board of advisors. Tim, like so many, will always be a part of the UnCruise family.

Looking forward, we will stay committed to our message our core values and our company culture that makes us who we are, supporting our communities, our planet and each other. Our focus on UnTourism and remote adventures leads the way. The next generation of UnCruise Adventures is being forged. One that will lead in small boat adventures. I look forward to seeing you on board and connecting again with a renewed focus on a sustainable travel industry.

All the best,

Captain Dan Blanchard
Owner and CEO

Adventure

Our name and our passion. Uncovering playgrounds that offer rich experiences by hike, paddle, and with locals. It’s all included, and there’s something for everyone.

Bushwhack in Alaska. Hike like mountain goats along the Columbia and Snake Rivers. Kayak through mist in the Salish Sea. Monkey around in lively, lush Costa Rican jungles. Snorkel among turtles, penguins, and a rainbow of fish in Hawaii, Baja, Belize, the Galápagos, or Panamá. Hard-charging or slow-paced, place your adventure order—it’s time to explore and go wild.

Place

More than locations. They’re corners and coves to get a little lost in. So small against a big land. So deep in another culture. We really do mean wild, too: a private beach on a deserted island, a thick, old-growth forest where the only trails are from wildlife, a mule ride with local rancheros through a Baja oasis. Places so tucked away our small boats fit in just right. “Ports of call” that are unusual and uncrowded.

You hold the ultimate backstage pass. Scenic bays and culturally immersive excursions offer windows into worlds most travelers don’t ever see. These are the special, out-of-the-way places that only a few know about.

Connection

Meet your people. Small boats acquaint you with like-minded travelers and places that tug at your heartstrings. Bonds are hard to define but easy to spot sharing tears at the end—from co-explorers and crew members to friends for life.

Form authentic bonds as a Tlingit tribal member lets you in on the story told on an Alaskan totem, or a Hawaiian elder shares the mana of aloha. Genuine experiences take hold of your senses, asking you to linger and remember people and places long after you’ve said farewell.

Our Commitment

Small is big these days, but being small is who we are. And in 2021, we celebrate 25 years of discoveries. As a small American business, and THE top, award winning small boat cruise line for adventure, we know that flexibility is the ticket to big experiences. That's why within our routes we're ready to turn, pause, and seize opportunity. Linger for whale sprays or a lesson in net fishing. Good day for a beach party on a deserted island? Why not! Our commitment to going places and doing things others can't—and our exceptional crew... and food... and creating a safe environment—sets us apart.

Our mission: *To provide enriching adventure travel experiences that inspire an appreciation of local cultures and the natural world.*

We also recognize the importance of being a good citizen—having respect for the environment and one another. At UnCruise Adventures, we don't just talk the talk. Be good to each other. Get a little better every day. Make different mistakes. Do the right thing. These are the core values that guide us whether we are out in the field or working magic behind the scenes.

Access by small boat (86 guests, tops) enables you to wrap yourself in the adventure. With a near obsession about being accommodating, we make it easy to try something new. No hidden costs, either, so you can so you can focus on what's important. From photos of your trip to excursions, presentations, and yes, food and beverages (alcohol too), it's all covered in the fare.

“Being on a small ship with great friends (new) and being the **ONLY** ship or vessel of any kind around us. ...Unforgettable.”

— Diane N; Port Angeles, WA (Alaska, 2019)

Unparalleled Value

From your very first inquiry, expect personalized service and expertise—and a host of benefits that make us unique.

Backstage pass	Small group travel—from the boat itself to groups of a dozen or so afield—puts you in on the action (not watching from afar), with <i>AHA!</i> and “I-can’t-believe-I-just-did-that” moments around every corner.
Expert guides	Seriously—they’re aces. Our guides have vast and deep experience, plus an impressive collection of advanced degrees in curiosity-piquing subjects from whales to fungi to geology. Their enthusiasm is intoxicating.
Home away from home	Boats are comfortable, welcoming, and unique in style and personality. All are adventure-ready for gearing up, kicking back, and mixing and mingling.
Adventure for all	Kayak or paddle board. Snorkel or skiff. Beach stroll, hike, or mountain goat climb. There are plenty of options and equipment for everyone to join in the fun.
Active as you like it	Do as much or as little as you like. On top of the daily activities, ease into the day with sunrise stretches on the top deck. There’s exercise equipment at the ready, anytime. Or just watch the landscape go by.
Fresh, hand-crafted cuisine	You didn’t know it would be this good. Chefs (including pastry chefs) impress, meal after meal, with locally sourced ingredients and swoon-worthy baked-onboard desserts and breads.
Cheers to that!	An astounding array of beverage options, both non-alcoholic and alcoholic (signature cocktails every night!), mean you’re never far from a toast. And it’s all included.
Zero hidden costs	What most defines your trip is included in the fare—excursions, adventure equipment, transfers, and baggage handling. Put your wallet away (until it’s time to recognize your topnotch crew).
Accommodating... and then some	Dietary restrictions? Special occasion? Need a little extra help on a hike? It’s our business to make sure your adventure not only matches your needs and expectations but surpasses them. Just ask and we’ll do our best!
The ineffable spirit of adventure	We’re all in the same boat. Crew and guests alike, wide-eyed with wonder and childlike curiosity—and it shows. The excitement. Collective energy. Laughs and camaraderie throughout your adventure.

Choose to UnCruise®

First in Adventure

Hearty, active adventures are rooted in our core. So is watching for wildlife, time spent with locals, and digging into the culture and history of the places you visit. You might be snorkeling with dozens of sea turtles in the morning and joining a cultural ambassador like Danny Akaka to talk story in the afternoon.

The spirit of the islands—in all our destinations—is alive and well. In Baja, the Romero family has been leading mule rides across Bahia Agua Verde for generations. Saddle up, sit tight, and wind your way through desert, beach, and a green oasis. On Molokai, Greg and Anakala Pilipo welcome you to the Halawa Valley where they farm, hunt, and fish. Sidle up to a park ranger in Alaska or visit Panamá’s historic Coiba National Park. These are some of the people and pulse of a place.

The spirit of adventure soars. Each night your expedition team lays out the choices for the next day: hiking, beachcombing, kayaking, skiffing, paddle boarding, and snorkeling are all possibilities. Place your adventure order. From slow beachcombing to hard-charging hikes, there’s something for everyone. And with small group excursions (usually a dozen or so guests) it’s easy to chat up your guides and pause for pictures and reflection.

“The crew and guides were so wonderful and personable! Loved chatting with all of them. ... my favorite activities were hiking the hard-chargers, guided kayaks, rafting, and biking.”

— Ally P; Milwaukee, WI (Columbia & Snake Rivers 2018)

Come Play

Hikes

Ascend a desert ridge in Baja or Galápagos. Tackle a switchback in the Pacific Northwest. Delve into Costa Rican jungle and sniff out a jaguar trail in Belize. Or meet the Alaskan bushwhack: a wild and woolly trek over logs and through brush. From an intertidal shore walk or stroll in town to an hours-long summit, hikes are as hard-charging or as slow-paced as you like. It's up to you. We have hiking poles so you can head out with confidence.

Kayaking & paddle boarding

From guided Kayaking 101 to an afternoon open paddle, settle in and explore. While open paddling is offered, most kayak outings are guided. In Alaska, challenge yourself to a yak-n-whack: a kayak and bushwhack all-day land and water excursion and UnCruise original. Paddle boards are also available in most destinations. If the water's calm, keep your eyes on the horizon and give it a go.

Skiff rides

Let our drivers shuttle you to shore for another excursion or power up and head around the bend to get a better look at sea otters cracking open a shell, iguanas on the move, or birds soaring above the treetops. Climb in, binoculars ready. The skiff's the thing for covering serious ground with little effort.

Snorkeling & polar plunges

Immersive in every way and—like all our excursions—snorkeling ranges from intro lessons along shore to deep water jump and go. Noodles are provided if needed, and wet suits are also available in some destinations. For those seeking an extra thrill, try Alaska's polar plunge—a leap off the fantail and a fun, frigid experience. Chances are you'll watch your captain jump in too.

Your Crew

The best of the best, experts in the industry, and just plain fun. Your onboard team includes the captain, mates, engineers, chefs, expedition guides, and hotel, galley and deck staff. Each team member is hand-picked for their astounding knowledge, experience, customer service, and safety skills—plus their “can do” attitude and genuine spirit. They undergo training in areas such as leadership, CPR, wilderness response, safety, guest services, and “Leave No Trace” practices. They’ve got you covered.

But it’s more than that. Crew knows your name, quickly learns your activity style, and even your drink order. When trying something new, they’ll hold your hand (with sanitizer) until you get the knack. Guides are trained to protect you from wild things, and they’re full of facts and eager to share. So fire off your questions about the funny-looking bird. Sit in on an after-dinner talk about glaciology or whale migration. And don’t be shy about asking for what you need in your cabin or with your meal. Requests are happily met with a “let me see what I can do.”

It’s crew’s unique talents, love of travel, and a deep respect and appreciation for the places we visit that shape your adventures. Trust us—you’ll be raving, too.

“You have terrific staff with amazing knowledge. They are talented and good storytellers—your staff all around enhanced my experience—from housekeeping, restaurant, bar, guides and boat captains, they all excel in what they do.”

— Caroline B; New Brighton, MN (Alaska 2019)

Safe & Sound

It's a safe environment. Your own bubble in the wild. And we'll do our darndest to keep it that way. Prior to getting on board an UnCruise, precautions are taken to ensure guests and crew alike arrive healthy and the risk of spreading a bug is minimized during your cruise. Crew members are fastidious about cleaning and safety protocols. There are no buffets during meals and social hour appetizers are individually served. Hand sanitizing stations are located throughout each boat, and depending on what's happening in the world, our crew will even mask up, and ask you to do likewise. Your captain and crew even conduct safety drills and demonstrate the best maneuvers that'll have you as surefooted as a goat.

The beauty of small boats (one of many) is you travel in small groups. No queuing up hoping to get in on the action or FOMO. There is room for everybody no matter how you choose to spend your time. Kicked back or go, go, go. Presentations from your expedition team can happen outside on deck or in the lounge. And on most boats, you can even listen in from your cabin. Questions about the wildlife? Just ask (or, seek your answer in the onboard library). Want to up your knot tying skills? Grab a rope and head to the deck. Meet your new BFF? It's likely. Life on board really does create bonds.

Life on board is relaxing, too. From the cozy *Safari Quest* to big sister *Wilderness Legacy*, every boat creates community and the atmosphere is casual and intimate. Share a laugh and cocktail in the lounge with your new comrades. Chat up your captain and mates on the open bridge. Watch for wildlife or take a quiet moment on the bow.

“I am, each time, very impressed by your work, health, and safety standards and practices for both guests and staff alike. ...Very enjoyable, relaxing, and safe, from the captain down! Cheers!”

—Sara S; Crafers West, Australia (Mexico, 2019)

Sustainability

For 25 years, we've delivered experiences that enable us to make a difference. These encounters leave a lasting impact and, we hope, encourage our guests to care more about protecting the environment the way we do.

We've implemented responsible practices to lessen our footprint. Replacing engines for more efficient models, eliminating single-use water bottles by offering refillable bottles instead, providing reef-safe sunscreen, and removing trash left by others. Sometimes it's not good enough to leave a place the way we found it. Leave no trace, ours or otherwise—that's our intention, wherever we travel.

At UnCruise Adventures, we evaluate our actions every step of the way. From itinerary planning and operations management to adhering to codes of conduct that protect wildlife like the Marine Mammal Protection Act and NOAA Humpback Whale Approach Regulations. And, we work with partners like the Monterey Bay Aquarium Seafood Watch Program to ensure best practices

Our adventures also impact local communities. From sourcing fresh ingredients from local farmers and fishermen, to partnering with native groups for cultural exchanges, we look for ways to share the wealth and support the lives of those we meet.

At our core all team members believe we are stewards of the lands where we travel. "Take only photographs, leave only footprints, make unforgettable memories."

"Greatly appreciated the focus on environmentally friendly practices. H2O bottles, cleaning products, paper straws, etc. mean a great deal to us. The care and compassion shared by all staff with our family was utterly extraordinary."

Local. Fresh. Inspired.

Taste where you travel. Along the Sea of Cortés, a dedicated plot of land supplies your boat with the brightest beets and a rainbow of carrots. In Hawaii, a small organic Molokai farm grows your purple sweet potato—then it's roasted with chimichurri sauce—and their pineapple, topped with mascarpone ice cream and a banana bread crumble. Yum. In Costa Rica, locally grown plantains, patacones, are sliced and fried for a tasty treat. Further north in Alaska, a micro-grower out of Juneau provides greens with a sweetness and spiciness that makes what's on your plate pop. Small greens, BIG flavors.

In the water yesterday, and in the galley today. At sea in our tropical destinations, red snapper and seabass are hand caught by local fishermen—one line, one hook, and live bait. Fish caught within miles of where you sail. Shift your latitude, and Alaska's Icy Strait provides sustainable seafood caught by generations of locals. As the first cruise line ever to participate in the Monterey Bay Aquarium Seafood Watch Program, we're proud to be a sustaining partner serving only seafood they list as a "Best Choice" or "Good Alternative" aboard our vessels.

Our "local" means relationships with local families and small-scale fishermen that support the community. Good for our land and oceans, as well our chefs who prepare it—and good for you, too. Inspiration is from our hearts: ocean-friendly, field to table, and baked-onboard breads and desserts with the pastry chef's personal flair. Sample the region and taste the love.

"The creativity of the menu was outstanding. The chefs cleverly incorporated local cuisine, spices, and seasonings."

— Susan K; Menlo Park, CA (Mexico, 2019)

On the Menu

Big days and full bellies. Early-riser breakfast in the lounge? Of course. Or, head to the dining room for the full deal. Lunches and dinners are created with thoughtfulness given to the region, weather, and activities: a glacier skiff ride and a hot bowl of soup, or a sun-blanketed hike paired with a cooling gazpacho. And sweet treats like chocolate opera cake are whipped, layered, and baked for you twice a day.

Unless there's a special barbecue or lunch on shore, most dinners are served over several courses. You'll be constantly amazed at what our chefs prepare in a tiny galley... but you can always count on options. All meals offer a choice of seafood, meat, and vegetarian dishes. If you can't decide, try a sampling of two or three! And yes, with advanced notice special dietary needs are affably accommodated—and delicious. Celebrating a special occasion on board? Let us know when you book. Our expert pastry chefs are happy to help you commemorate the day.

— Sample Breakfast Menu —

Spirit of the Bar

The ship's lounge quickly becomes your local—familiar faces and local beverages. Sample a beer from a regional brewer or our other rotating taps. Taste your way through cask wines like Washington and Oregon varietals. No matter the style of the bar—from the *Wilderness Discoverer's* beautiful bar top carved from Alaskan cedar to *La Pinta's* elegant Sky Lounge—each lounge has its own vibe. And its own expert bartender.

Classic cocktails come with inventive twists, innovative tiki drinks showcase fresh fruit juices, and gin and vodka from our favorite Juneau distillery make for endless experimentations. Yup, even the drinks are local, right down to the blackberry liquor and house-made mixers.

Bartenders are happy to shake up (or stir) your requests, but what they really love to do is learn what you like and impress. Inspiration for the cocktail of the day comes from your adventures. Top off a bushwhack with a bramble cocktail, toast with your kayaking buddy to an afternoon well spent, or try out a local rum or digestif with your dinner companion. Pick your pleasure and cheers to adventure: all beverages are included in the fare.

“OMG. We are happy foodies. Nice wine selection, love the local influence and applied creativity in the bar.”

— Jeanine R; Ft. Knox, KY (Alaska 2018)

Alaska

As the morning mist rises, climb in a skiff and head for the glacier. Feel the chill winding through icebergs, like tiny frozen islands. Curious seals bob their heads and sea lions flash their telltale pointy ears letting you know you're on track—chasing a wall of ice back in time. Your skiff's "ooohs" and "aahs" at these "Alaska natives" get bigger, when there's the biggest "ah" of all: Dawes Glacier. With a thunderous crack, ice crashes down.

Grab your gear and suit up. Rain or shine, it's time to live life on the outside. From skiff and beachcomb to bushwhack and kayak, Alaska's expansive landscape is where it all began for UnCruise Adventures. Yet we've never lost our fascination for this wild place. We still gasp at the greatness of Glacier Bay National Park. You will too. And with remote adventures, there are even more places to be found. We launch kayaks, skiffs, and paddle boards right from our vessels. Paddle in a tiny cove or pull on your rubber boots and head to the forest. Chattering seabirds, and pure curiosity, lead the way.

Snapshot: The great observer sees all.

Tip! Bring your rubber boots, you'll need them! Muskeg, streams, and glacial mudflats are everywhere in Alaska—and a lot of fun.

The Fleet

While each boat in our US-flagged and American-crewed fleet* has its own personality, all share an energy that creates relaxation and community. And built for adventure, their shallow drafts grant access to places bigger ships can't go, bringing you up close to what's outside—taking it slow and easy so you can take it all in.

Kayak launch platforms and swim steps set you off on excursions with ease, and when you're ready to recharge, book and DVD libraries offer a respite from activity. From bow to stern, there's plenty of fresh air. In most cabins, either your door or your window opens directly to the great outdoors. You can breathe easy and relax. Isn't that what vacation is for?

Safari Quest

22 Guests / 10 Crew / 11 Cabins

Agile, spry, and with clean design lines, the Safari Quest can cut into the tiniest nooks that even our other small ships can't reach. This includes coveted wilderness areas with highly limited access. For those most special adventures, she is the ticket in. While small is her secret for access, on the inside this yacht is anything but. Spacious and comfy cabins. A cozy and welcoming lounge and dining room. And plenty of onboard niches for nestling and relaxing. Feel the love.

Safari Voyager

66 Guests / 30 Crew / 34 Cabins

Discreet, sleek, and stealthy, the Safari Voyager is comfortable in warm water regions and built to handle humidity and heat. Tropical adventure, wilderness access, and the natural landscape are always at the forefront. A seamless extension of the places she sails, the ship and her mostly local crew exude pura vida (pure life).

Handcrafted artwork throughout the vessel pays homage to the regions of Latin America. Casual in nature, the Safari Voyager is a bit of a show-off, too—take in 270-degree views from the top deck or window-to-window lounge.

Wilderness Adventurer

60 Guests / 27 Crew / 30 Cabins

Like your favorite, hippie-cool aunt, she's sage, soulful, and game for every adventure—and likely the one leading the charge. The unassuming Wilderness Adventurer has style and all the amenities needed to get the job done. It's just as comfortable moseying into the lounge for a pint as it is leaping from the fantail for a polar plunge or sketching a landscape from the sun deck. No doubt, she lives up to her name. The mantra on board could be: work hard, play hard, relax, repeat. The ship's easy-going, fun-making energy inspires fierce loyalty by her crew and guests alike.

Wilderness Discoverer

76 Guests / 28 Crew / 38 Cabins

Inviting, and oh, so cared for by her crew, the Wilderness Discoverer delivers big adventure with top-of-the-class style. She has Alaska in her soul - and a beautiful bar top and tap tower made from a yellow cedar log found in Peril Strait. But looks aside, she doesn't hold back when it comes to exploration. Her shoal draft allows access to waters that are off-limits to bigger boats, where she can slip right in. An instigator of action, she was the first "Wilderness" boat in the family and set us on a path toward greater adventures - you will be too.

Wilderness Explorer

74 Guests / 28 Crew / 37 Cabins

Daring and ambitious, and a wee bit salty, the Wilderness Explorer was destined for Alaska's deep waters from the first moment she slid into the drink. As mariners say, she's tough - a strong "sea boat" with feet, who's not bashful or apologetic in her unflinching drive to seek out secret niches. Embracing change, the crew is known to try the untried - whether it's a new anchorage, gaining access to an unexplored trail, or a creative new recipe with local ingredients. Get to know her, and she'll warm your heart.

Wilderness Legacy

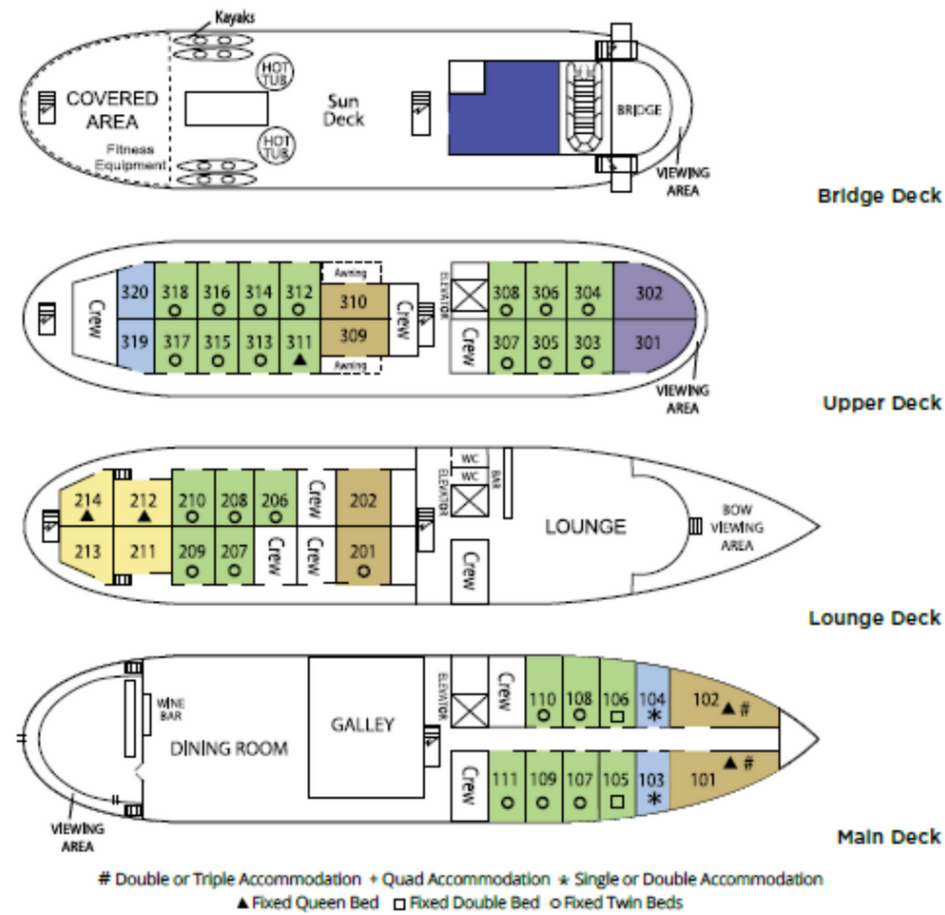

86 Guests / 35 Crew / 43 Cabins

The one-of-a-kind Legacy sails to the farthest reaches spinning yarns of adventure along the way. Like the crew and guests having the time of their lives, she hums with each new opportunity. It's no wonder that for many of the crew (and office folk), she's a first love that never fades.

Equipped with kayaks, paddle boards and skiffs and the Sea Dragon - her launch pad to adventure. She is ready for exploration, and has the most spacious viewing decks in the fleet. Wherever she sails, she announces her arrival with the blow of a whistle.

La Pinta

Elegant and sophisticated, La Pinta would steal the show anywhere less impressive. Instead, she's the perfect complement to one of the world's greatest environments. Floor-to-ceiling windows in the lounge showcase the views. An outdoor Sky Bar and sun deck, and décor that nods to the nautical. Her Ecuadorian crew exudes friendliness fueled by pride in their vessel, the Galápagos Islands, and a desire to share them both.

UnCruisers say it best...

“We had an absolutely marvelous vacation on the Safari Quest!!!!... Thank you for the walks, the skiff-tours, the whales, orcas, birds of a feather and cohesive tourers. Washington and the Olympic forest made a wonderful ending.”

— Joseph D; Sun City West, AZ (Pacific Northwest 2019)

“I took this cruise because I love nature... whales especially, and it didn't disappoint. We were in the midst of sperm whales, along with blue whales, and the wonderful grey whales ...As an older woman I enjoyed being able to choose activities based on how I felt (physically) that day.”

— Joni H; Wayne, IL (Mexico 2018)

“So glad I found UnCruise! Wanted to do the Panama Canal, but not on a huge ship. Then saw that the emphasis was on nature and outdoor activities and I was sold!”

— Meg S; Custer, SD (Costa Rica & Panamá 2017)

“I felt like I Learned a lot about the local culture. I appreciate our guides sharing the local stories and lore that allowed us to get insight on the real culture of the Hawaii people.”

— Jenny M; Newport News, VA (Hawaii 2019)

“I really enjoyed the guided hikes/walks with guides that were not only knowledgeable, but passionate about the natural beauty and habitats of the region. They were very good at conveying that sense of wonder to me.”

— Jack G; Pine, CO (Costa Rica & Panamá 2019)

“This crew was fantastic... They were well versed in the biology, geology and culture of the areas into which we went. The captain was present every day and helped out the crew in impressive ways. There was not one person who was unapproachable.”

— Ed TS; Punta Gorda, FL (Columbia & Snake Rivers 2019)

“I was surprised and very touched on my birthday with a special cake, champagne & handshake from the ship's captain! That was followed by a live band and some fun dancing - so it felt like a big party! ...I really appreciated & loved trying the Ecuadorian specialties. ... You're a very special outfit and each trip with you has been unique and outstanding in every way!”

— Joni H; Flagstaff, AZ (Galápagos 2019)

“Incredible experience! Exceeded all expectations! It's obvious you know how to hire people who are caring, fun, knowledgeable, easy to be with—your culture is great and it's obvious they care for & support one another—and have fun together—and with all of us.”

— Katherine B; Laguna Beach, CA (Alaska 2019)

“The day spent in the Halawa Valley on Molokai was definitely the highlight of our trip. We loved having the opportunity for such an in depth and authentic Hawaiian experience.”

— Samantha F; Woodland Hills, CA (Hawaii 2019)

“The ability of the staff to produce outstanding meals that catered for my allergies and intolerances was superb. Thank you for the extra effort.”

— Jan B; Kingscliff, AU (Alaska 2019)

“If I could live here I would. But, since I can't, I just keep coming back here with UnCruise.”

— Tim W; Alex City, AL (Alaska 2019)
